VIRTUAL
Awards
CEREMONY

INTRODUCTION

This year has offered so many within our industry many new challenges, and more than ever staying connected is vital. Netlaw Media is thrilled to deliver the British Legal Technology Awards 2020 online.

Now more than ever it is essential that excellence is celebrated, and that we recognise those who continue to move forward - shaping and evolving the future of legal services.

Hosted by Netlaw Media, the 2020 Awards will again recognise leadership, innovation, technology as well as the individuals, teams and suppliers transforming the future of legal services.

Taking place virtually, on Thursday 12th November 2020, The British Legal Technology Awards is an exclusive evening that will bring together dignitaries, nominees and guests to celebrate exceptional achievement within the legal sector.

Judged by an independent panel of 21 experts, the awards are open to Law Firms, Barristers' Chambers, In-House Legal Departments, Alternative Legal Service Providers (ALSP) and Suppliers of technology and IT security.

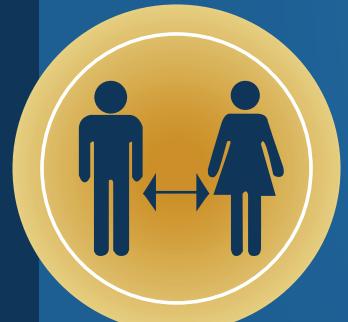

Finalists will be announced on the Friday 11th September 2020.

EVENT BENEFITS

Attend from the comfort of your home,
whilst celebrating the top achievers
in our industry!

An opportunity to have people
together who are currently staying
apart from one another

Avoid the inconveniences of travel
and reduce carbon footprint

Enjoy our usual awards ceremony
etiquette, and celebrate in style –
every attendee will be expected
to dress to impress

Boost team spirit!

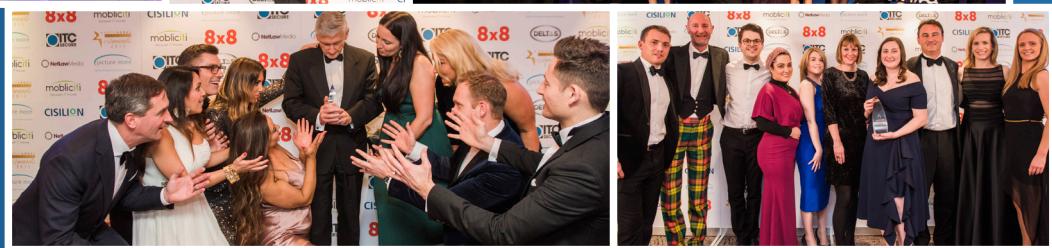

Freedom over who you meet,
with the added benefit of
flexible networking across all
virtual tables

'Most Innovative Firm of the Year'

'Most Innovative Firm of the Year Award' will recognise law firms, barristers' chambers, in-house legal departments or ALSP who are driving the future of the delivery of legal services. This award will recognise those which can demonstrate they are transforming the competitive landscape with the delivery of innovative client solutions, technologies, platforms and services.

Sponsored by: WOLFBERRY CYBER SECURITY

'Technology Team of the Year'

'The Technology Team of the Year Award' recognises proven and outstanding team performance. This category is open to law firms, barristers' chambers, ALSP and in-house legal departments and awards the team that has distinguished itself through successful implementation, integration and adoption of technology.

Sponsored by: Virtual Signature.com
Powered by SENERIX

'Security Team of the Year'

'Security Team of the Year' recognises the dynamics of leadership, team culture and contributions within IT security. This category rewards senior IT security professionals who are proactively implementing advanced IT security systems and procedures to protect client data and internal operations from third party intrusions. This award highlights the individuals and teams who have successfully executed advanced system and network protection initiatives whilst driving risk mitigation strategies against sophisticated hacks and breaches.

'Technology Venture of the Year'

'The Technology Venture of the Year Award' recognises the outstanding delivery of an individual technology venture, project or initiative. This award honours the strategy, planning, execution and successful results of a technology venture which has delivered a positive and commercially viable impact.

2

AWARD CATEGORIES

Vendors & Consultants

'Innovation in Legal Services'

'The Innovation in Legal Services Award' honours the suppliers which are driving the future of technology in legal services. This critically acclaimed award recognises solution providers which demonstrate they are accelerating the pace of change whilst transforming the competitive landscape with innovative technologies, platforms and services.

'IT Product or Service of the Year'

'The New IT Product or Service of the Year award' recognises innovative new products, services or solutions which have been launched in the legal sector during the past 18 months. This category is open to start-ups and established vendors and recognises the products, services and solutions which deliver vision, differentiation, practicality and importance to the sector.

'IT Security Provider of the Year'

'The IT Security Provider of the Year Award' rewards the IT Security provider which demonstrates unprecedented knowledge, advancement and solution implementation, whilst delivering excellent client service and a complete security offering that is at the forefront of IT security within the legal sector.

'Legal AI Supplier of the Year'

'The Legal AI Supplier of the Year Award' recognises innovative solutions that are entering and / or are established in the legal sector. This category, is open to start-ups and established vendors and recognises solutions or services that utilise new machine learning technology within its offering to deliver innovative and adaptive solutions to law firms and legal businesses.

'Supplier of the Year'

'The Supplier of the Year Award' recognises legal suppliers who have demonstrated excellence in legal technology and client focused services both for SME and LME. This award honours the suppliers which are re-shaping the future of law firms and legal businesses.

HINTS & TIPS

Hints and Tips for a successful virtual awards evening – we're here to help! Virtual events offer a safe way to network, and are a powerful way of keeping people connected. This is vital when the whole world feels like it is at a stand still.

Most of all, enjoy and have fun!

- >To get the very best from the virtual networking experience use a computer with a camera and microphone!
- Before you begin, please test your system's compatibility with Remo here. This will allow you to diagnose if there is a problem and where it is!
- As this event will be hosted using the latest video technology, make sure your browser and OS is updated to the latest version. [Click here](#) to check your OS and browser version.
- Why not make this an evening for your team? Gather in a small group at one central location, and our team will ensure that hampers are delivered for you all to enjoy!
- Promote your involvement through the right channels, and be sure to use the promotional graphics created uniquely for you by the Netlaw Media team
- Use the event hashtag and make announcements via all social media accounts **#BLTA2020**
- Avoid your regular working from home set-up or office environment. Keep your space distraction free, and comfortable!

We are excited to move this event virtual and to continue to celebrate the achievements of those evolving and transforming the future of legal services. Below you will find helpful FAQ'S in relation to the virtual awards ceremony.

How do I join the online event?

As a registered ticket holder, the online awards ceremony will be available to join directly from a third-party virtual platform 'Digital Leaders' (accessible via a golden link...).

Do I need an account (Zoom, WebEx, Teams?)

No, you will receive a specific and unique link to access the event 1 week in advance. At the scheduled open time of 17:30 (GMT), the virtual event doors will open and you will be granted access through a simple login.

If I miss an announcement, will it be available as a recording?

Yes, all the awards presentations will be recorded and available upon request after the event.

What type of devices are compatible with the event platform?

The 'British Legal Technology Awards 2020' will be held online via a cloud based platform, which is mobile friendly. The event can be accessed through desktop, as well as laptops and most mobile devices. To maximise your virtual event experience, we highly recommend joining via desktop.

What do I need to do on the day of the virtual event?

You will receive your e-ticket and joining instructions 1 week before the event, via an email from lawevents@netlawmedia.com. A reminder will be sent to you again 1 day before. On 12th November at 17:30 GMT you will be able to directly login to the event.

Who can help me if I do not receive access details, or if my access does not work?

Our dedicated events team, will be available to support you with any technical or event related questions – email eventops@netlawmedia.com.

What is included as part of my registration?

Your registration allows access to all awards announcements, live entertainment including a DJ and comedian. In addition, you can flexibly and virtually network with all attendees across all tables!

Can I ask questions during the announcements?

Yes you can ask questions, via the chat box function. You can also speak with the Judges, Finalists and all Attendees within the allocated networking times. You are also free to move around and network with any attendee, at any table.

Can my team access the event using my login?

No, each registrant has a unique login and all ticket holders must purchase a ticket, however teams can connect in one central place. Should a ticket holder be found to be sharing a screen, extra charges will apply (Netlaw Media reserves the right to revoke access).

Where can I find the timings and schedule for the event?

The full schedule can be found on the official event website, www.britishlegalitawards.com/event-overview. This information will be also be sent to you via email 1 week in advance alongside your joining instructions

How do I talk to the attendees?

Every attendee will be allocated a virtual seat, here you can network with the additional attendees on your table via video conferencing. This event offers flexible networking, allowing you to virtually move to other tables, and network with individuals across all tables! A maximum capacity applies to each table, and Netlaw Media will control table allocations.

What type of internet connectivity do I need?

The 'British Legal Technology Awards 2020' will run on the cloud so you do not need to install or download an application to access the event. All you need is a standard web browser, a stable internet connection and your unique log-in! Where possible we do recommend using hardwire internet connection.

What timezone will the event delivered?

This event will be held in Greenwich Mean Time (GMT), commencing 17:30 and closing 19:30.

Can I leave and re-join the event should I need to?

Yes! This is a flexible event experience. You can join, leave and return at any time.

VIRTUAL
Awards
CEREMONY

At what time will the category Winner(s) be announced?

All finalists are expected to virtually attend the full virtual awards ceremony. The announcements will be made live between 18.10 - 19:10 (GMT). Each winner will have 2 minutes allocated, as part of their acceptance speech.

If I am announced a Winner how will I accept my award(s)?

The Winner(s) from each category will be invited to join the virtual stage, and will be celebrated by all that are streaming the announcements online!

All finalists will be asked to pre-record a Winner(s) acceptance video. This 2 minute video will be played upon the announcement of each finalist. We encourage all finalists to make this as extravagant and comical as possible!

This is the opportunity for you to involve your whole team in the video, the more the merrier.

When will I receive my physical award?

Awards will be delivered post-event. The individual nominated to accept the award at the time of entry will be contacted to confirm the delivery address post-event.

Can I use a virtual background?

Yes! Please use the event branded backdrop, this will be included as an attachment alongside your joining instructions and e-ticket. This information will be received 1 week prior to the virtual awards ceremony via email.

What happens if I miss, or I am late for my award announcement?

To ensure the seamless delivery of this virtual event, it is essential that the event is delivered on schedule. In the case that a Winner misses their award announcement, their pre-recorded acceptance video will still be played.

We kindly ask that all finalists are on-time, and attend the full duration of the virtual awards ceremony.

CODE OF CONDUCT

To ensure the success of all Netlaw Media events, initiatives and activities, all participants including delegates, suppliers, clients, staff and sponsors must be able to work in a safe environment. Netlaw Media is committed to ensuring that disrespectful, discriminatory, inappropriate or unprofessional behaviour or harassment of any kind and at any event is prevented. Such behaviour will not be tolerated, and participants will be asked to stop any harassing behaviour and are expected to comply immediately. Failure to comply will result in immediate removal or dismissal and in severe cases may result in rejection of participation in the future.
